

**EN**

Final Masking Tape, A high quality general use paper masking tape. Used mainly for paint masking but also for arts, craft, model making and much more. Masking Tape is produced using a light-medium weight adhesive which is designed to peel away cleanly leaving minimal residue behind.

Product Features:

- Crepe paper backing.
- Rubber-based adhesive.
- Cost effective tape for indoor light duty applications.
- Temperature resistant up to 150°F (66°C) for 30 minutes.

Storage:
